

- **Consulting...the choice of the right compressor!**

We would like to give you consult in choosing the right type of compressor, mounting solutions and the right air processing.

- **Spare parts service...everything in stock!**

We offer a just-in-time spare parts service for our compressors. All parts are in stock. Orders placed until 3 p.m. can be delivered per overnight-express within Germany and will reach your workshop by 8 a.m.

- **Repair and replacement compressors ...quick exchange!**

If you need immediate exchange, you'll profit from our replacement service. We offer compressors given a general overhaul (replaced) for a reduced price with full warranty and we trade-in your old compressor.

We also like to offer you a quotation for the repair of your compressor.

- **Individual solutions...development is our business.**

Are you looking for a compressor for a special application and didn't find an adequate one so far? Do you need an aggregate with specific requirements? Don't hesitate to ask us. We also offer single applications.

- **Development of mounting solutions...our service for you!**

We developed special mounting solutions for lorries from MAN TGA, SCANIA and RENAULT to allow an installation within a short time.

We support forwarding agencies, vehicle producer and direct supplier in development and production of mounting solutions. Please contact us.
